Additional Experience

Big Sister for Columbia Northwest Big Brothers, Big Sisters of America, 2012-2015/Lunch Buddy with Minnehaha Elementary School, 2015-present
Matched in January 2012 with my "Little," the school program was discontinued in 2015 and I transferred to a school volunteer program to continue mentoring.

Phi Rho Pi Speech and Debate, American Forensic Association, 2003-2004
National bronze award finalist in impromptu, extemporaneous, and informative speaking.

Professional Experience

City Color, Junior Graphic Designer. 2016-current
Adapted and aided in the design of content for a retail environment with strict production deadlines using Illustrator, Photoshop, InDesign, and SketchUp.

Hawes Financial Group, Junior Graphic Designer. 2015-2016
Refreshed design of sales materials to reflect current logos and branding for business cards, PowerPoint presentations, proposal templates, letterhead, flyers, and case studies.
Customized materials for clients including brochures, brochure flyers, patient cards, banners, and statement inserts with specific logo and contact information for each client in Illustrator and InDesign.
Designed postcards, prize posters, client newsletters, request for proposal cover pages and retractable banners using Illustrator, InDesign, and Photoshop.
Worked with print vendor to make certain that files were press ready and attended press checks as necessary.

Vista Financial Planning Group, LLC, Marketing Specialist. 2013-2015
Fashioned newsletter for 401(k) clients using InDesign.
Developed advertisements, posters, postcards, flyers, a flash banner, and other promotional material for print and web distribution using Photoshop, Illustrator, InDesign, AfterEffects, and Flash.

Association of Pacific West Quilters, Graphic Designer. 2012-2014
Designed promotional print materials for advertisements, bookmarks, brochures, posters, program covers and merchandise ranging from pins to tote bags for three events open to the public in Photoshop and InDesign.

Community Foundation for Southwest Washington 2013 Luncheon "Better Together", Content Specialist and Website Designer. 2013
Collaborated with content specialists to create two animations in AfterEffects and upload them to Aurasma, our Augmented Reality platform.
Designed and hand-coded a research website and a narrative website with a mobile component using CSS3 animations and parallax scrolling.

The VanCougar, Web and Social Media Manager. 2012-2013
Launched online website with WordPress as the CMS, winning the Pacemaker from the Associate Collegiate Press in 2013.

Drain Magazine, Website Administrator. 2014-current
Transferred and styled all content to WordPress according to a style guide to meet publication deadlines.
